The Honorable Alex Sink
Chief Financial Officer
The Capitol
400. N. Monroe St.
Tallahassee, Florida 32399

Chief Financial Officer Sink,

As members of the Florida House of Representatives, we have a responsibility to Florida taxpayers to review documents and media coverage surrounding your use of state-owned aircraft for flights to cities in Florida for the sole purpose of picking up or dropping off family members with no discernable official business. As you are aware, this is a possible violation of Florida Statute 287.17, which prohibits the use of state-owned aircraft for any purpose other than official state business.

Therefore, we have determined, while your call for a complete and thorough review of your use of state-owned aircraft by your staff is commendable, we believe that an independent investigation should be conducted because your staff obviously has a clear conflict of interest. Further, we assume you will agree with us based on your comments this morning in the Miami Herald regarding the Allen Stanford financial deal with the state.

Thank you for your understanding and consideration of this important request.
