Dan Gelber sent a message to the members of Dan Gelber for Attorney General.

-----  
Subject: I'm In

I'm in it because I believe our public schools need more champions; our health care system needs more than a cosmetic overhaul; and because too many people believe no one in Tallahassee has their back. I'm in it because my near decade as a federal prosecutor taught me that families have a right to feel secure in their homes, and that people shouldn't have to worry about being ripped off by scam artists and cheats.

I'm in it for the same reason you're in it – because we believe there is a better way to run our state, and we want our chance to prove it.

I know how to be the Attorney General and I know I can win. But to get from here to there I must have your help.

The first full fundraising quarter since I announced for AG ends tomorrow at midnight and it's vital that we make a strong showing. Please make a donation today.

It's not easy asking for donations -- but I ask with a sense of urgency because I believe our state desperately needs a new direction and I don't think we can wait another election cycle to bring change to Florida.

Please make a donation today.

Thanks for reading,

Dan Gelber
