Charlie Crist for U.S. Senate

Dear Friends,

As I travel throughout Florida, I am reminded of the people I serve and the trust they have put in me to lead our great state. It has been a true honor to be able to fight for you for nearly two decades – as State Senator, as Education Commissioner, as Attorney General and now as Governor.

Together, we have made great strides in protecting our families and children. I am proud that Florida earned a top-ten ranking in education this year. Historic adoption levels have helped our children find good families and homes. Criminals are now facing stiffer sentences for the crimes they commit.

We have cut government spending and have achieved historic property tax cuts.

But the fight doesn't stop in Tallahassee. I want to continue to fight for you in Washington.

It's time we bring some Florida common sense to our nation's capital and let the Democrats know that government is not the solution to every problem and wasteful government spending will not be tolerated. We must continue to fight for Florida's families and their future. Additionally, we must ensure that our military and veterans have the resources they deserve, and we must safeguard and secure our borders.

We are only four days away before the end of another fundraising quarter. I ask that you join my fight for Florida's future by contributing to my campaign. I need your help to spread our positive message - - less taxes, less government and more freedom.

Your donation of \$25, \$50, \$100 or \$250 will go a long way toward helping us achieve victory in 2010. Please visit www.CharlieCrist.com/contribute or call us at 850-907-1218.

I encourage you to visit www.CharlieCrist.com for the latest news from the campaign and ask that you share your thoughts, ideas, and concerns with me at Charlie@TheCristConnection.com. I look forward to hearing from you soon.

Thank you and God bless you,

Charlie Crist
