## *Dave Aronberg wins first labor endorsement for Attorney General*

**Orlando** – The International Union of Painters and Allied Trades (IUPAT), AFL-CIO, District Council 78 Florida, announced its support of Democrat Dave Aronberg for Attorney General today.

“After careful consideration, IUPAT families proudly give our full endorsement and support of Dave Aronberg for Attorney General,” said Steve Hall, political director of IUPAT DC 78 Florida.

IUPAT’s endorsement is the first labor group endorsement in the Democratic primary race for Attorney General.

“I am honored by IUPAT's endorsement,” Aronberg said. “These dedicated men and women can be confident that when I am Attorney General, I will continue to stand up for the working people of our state.”

IUPAT DC 78 Florida represents more than 5,000 members in Florida. From painters and glaziers and tradeshow workers to public employees in various cities, counties and school boards in the state, including Leon County School Board, Marion County School Board, Brevard County School Board, City of Bartow, City of Cape Coral, City of Biscayne, City of Sweetwater, and City of Deerfield Beach.

"From fighting the lease and sale of our state roads to foreign-owned companies, to saving millions of taxpayer dollars by stopping automatic pay increases to private contractors, Dave Aronberg's legislative record of standing up for working families and for public safety make him the best candidate to be Florida’s next Attorney General," said Hall. “We are confident in the leadership that Dave Aronberg will bring to the office of Attorney General and we will work hard to help get him elected.”
