Dear Friends and Family,

Thank you to all who have called and emailed me about Anitere's candidacy for the Florida Senate. So many of you have already reached out to me pledging your support! What can I say, THANK YOU!

There are two ways we can help Anitere in this early stage of her campaign for State Senate District 38. **The first is to spread the word.**

Attached is a map of the district. Please take a look to see if you or anyone and everyone you know lives in the district. If so, please send an email to them **and let them know that Anitere is running**. Ask them to visit her website at [www.anitereflores.org](http://www.anitereflores.org) and sign up for her mailing list. She sends regular newsletters. This way your friends and family members can get to know her the way we do and feel confident about supporting her.

The second way you can help is by assisting with her fundraising campaign. At this point we're looking for as many individual contributions as possible to show that the support is out there. While we'd love to fundraise at much as possible (limit is \$500 per person), at this time, it's those little \$25-\$30 checks per person that count. We need to demonstrate the support she has, not by the amount of the donation, but by the number of donors. If you would like to contribute at this time, please mail your check to Anitere's campaign treasurer:

Javier Salmán  
1534 Mantua Avenue  
Coral Gables, FL 33146

**\*\*\*Please date the check 2/27 as that was the day of her announcement.**

Thank you all for your support, encouragement, and prayers for my daughter. May God bless you and your families.

*Ana María*
