FLORIDA TAXPAYER GROUPS TO ANNOUNCE OPPOSITION TO SUNRAIL IN TALLAHASSEE ON MONDAY

Several prominent Florida taxpayer groups will announce their steadfast opposition to the proposed SunRail/Florida Transportation legislation that is currently under consideration in the Florida Senate and House.

Ax the Tax will hold a news conference at noon on Monday on the 4th Floor Rotunda (Senate side) that will feature a presentation by the leading opponent of the SunRail/CSX effort, Florida Senator Paula Dockery. Ax the Tax will be joined by representatives of Florida Tea Party; Florida Taxpayers Union; Republican Liberty Caucus; Tallahassee Tea Party and the Florida Family Council.

Ax the Tax is an official co-sponsor of the Tallahassee Tea Party that will be held from 4-6 p.m. at the steps of the Old Capitol. State Senators Paula Dockery and Rhonda Storms will be speaking to the tea party in addition to Ax the Tax Chairman Doug Guetzloe; Florida Taxpayers Union President John Hallman. Americans for Prosperity coordinate Adam Guillette has been asked to serve as master of ceremonies for the event.

Ax the Tax has led the opposition to rail proposals over the past twelve (12) years and has never lost a rail referenda battle. Victories include rail tax defeats in Orange; Seminole, Osceola and Broward counties. Over \$32 billion in proposed tax increases have been defeated by taxpayers led by Ax the Tax, a Florida political committee.
