## **RPOF to Report Over \$4.5 Million in Fourth Quarter Contributions**

**Tallahassee**—Republican Party of Florida Chairman Jim Greer is pleased to announce that the RPOF raised more than \$4.5 million in contributions during the months of October, November and December of 2009.

“Republicans across Florida should be encouraged by the tremendous generosity of our donors during the final months of 2010,” said Chairman Greer. “I am extremely grateful to donors throughout our state who have continued to support our Party in the midst of tough economic times. Their ongoing commitment to ensuring that we elect Republicans in 2010 demonstrates that Floridians are rejecting the Democrats’ tax-and-spend solutions, getting fed up with President Obama’s plan for a trillion dollar government-run health care experiment, and ready to work hard to elect Republicans as we move forward in this critical election year.”

The RPOF’s campaign finance report will be filed with the Florida Division of Elections on Monday, January 11, 2010.
