Help Us Move Past The Sordid Legacy of Crist and Greer

Before Charlie Crist and his allies ditched the party, they spent lavishly on themselves. Their goal wasn't to elect Republicans and further your common-sense conservative agenda. It was to live like Wall Street billionaires at your expense, and at the expense of electing more Republicans.

If you want proof, look no further than this [oil portrait of Charlie Crist!](#) Commissioned under Greer, in addition to a twin portrait of Greer himself, at a cost of \$7,500, this is a stunning breach of faith between Crist's former hand-picked leaders of the Party and the donors like you who so generously supported them.

Election Day is just six months from today. If you're ready to move past the sad era of Charlie Crist and Jim Greer's leadership, here are two ways you can make an immediate impact.

First, [make a bid on E-Bay for the oil painting of Charlie Crist](#). We may not be able to recoup the \$7,500 they wasted on this lavish expense, but hopefully we'll get at least some of it back.

Second, if you're not interested in an oil painting... but you are interested in electing Republican candidates and true conservatives to the U.S. Senate, Governor's Office, Congress and other important offices... [make a special contribution of \\$15, \\$25, \\$50, \\$100 or more](#) to the Republican Party of Florida today.

Remember, we're now waging a battle on three fronts: 1) we're cleaning up the mess left behind by Charlie Crist and Jim Greer , 2) we're challenging Charlie Crist as he asks "the people" of Florida for yet another promotion, and 3) we're working day and night to elect more Republicans at all levels of public service.

Please don't set this e-mail aside. Act now... or run the risk of Barack Obama, Charlie Crist and Alex Sink gaining complete control over Florida and America.

Sincerely,
 Ronnie Whitaker
